

Product Introduction

1

Brand new battery cells, no second-hand ones, 6000+ cycles, 10-year warranty

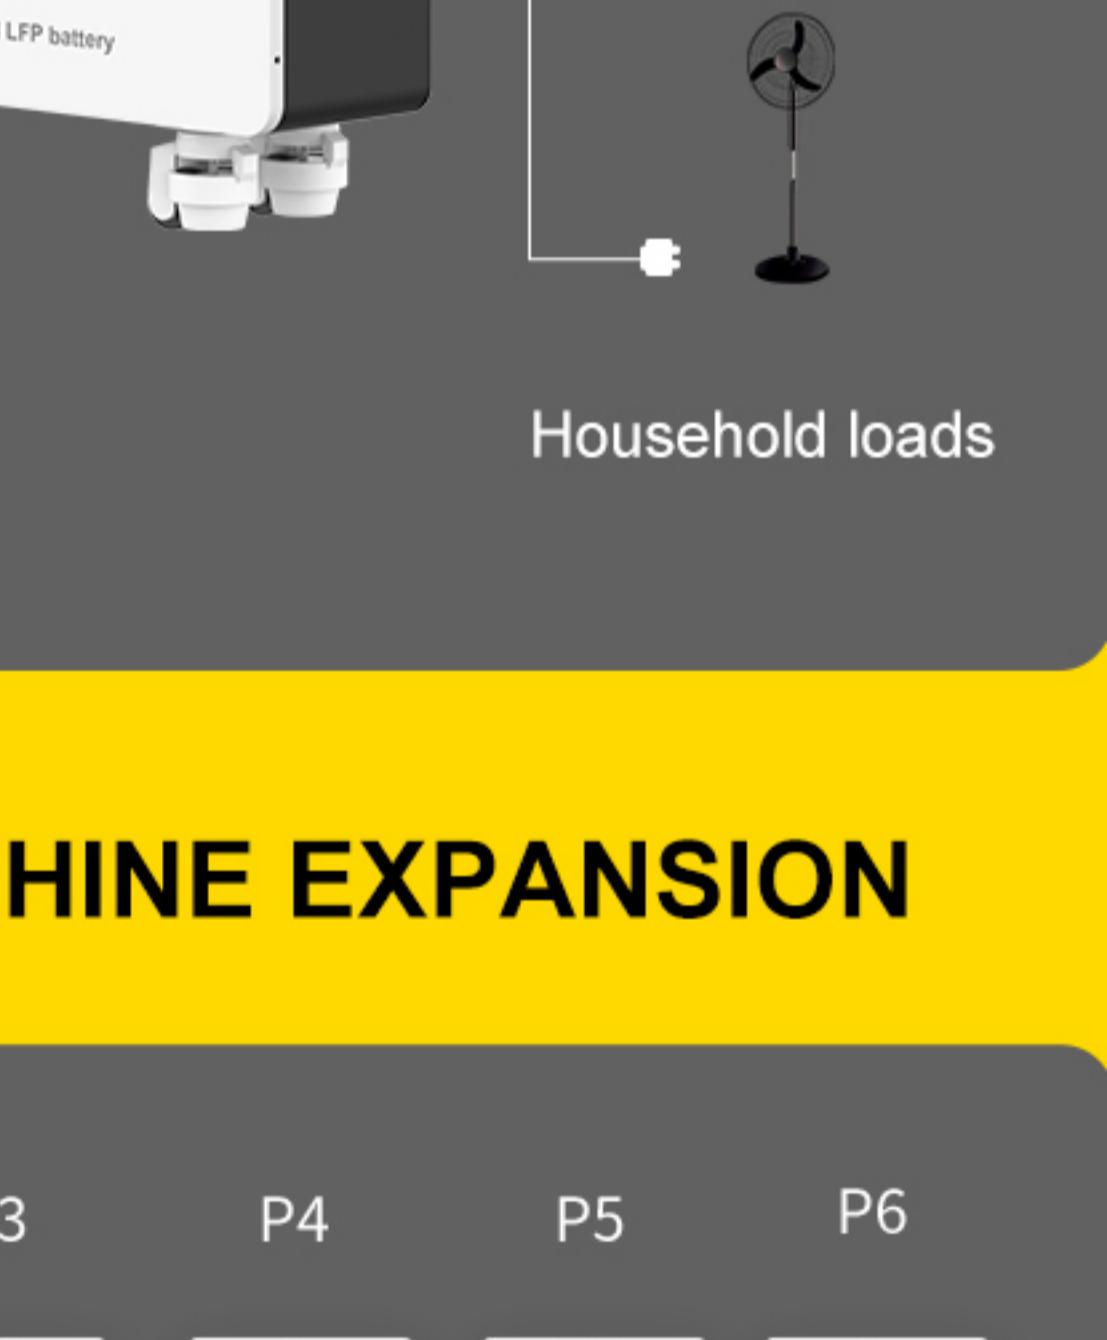

2

Built-in BMS, higher safety, longer cycle life and fast charging process, ensure that each battery is in the best condition

3

Patented product, stylish appearance, supports OEM/ODM customization services. Easy to install, to save space

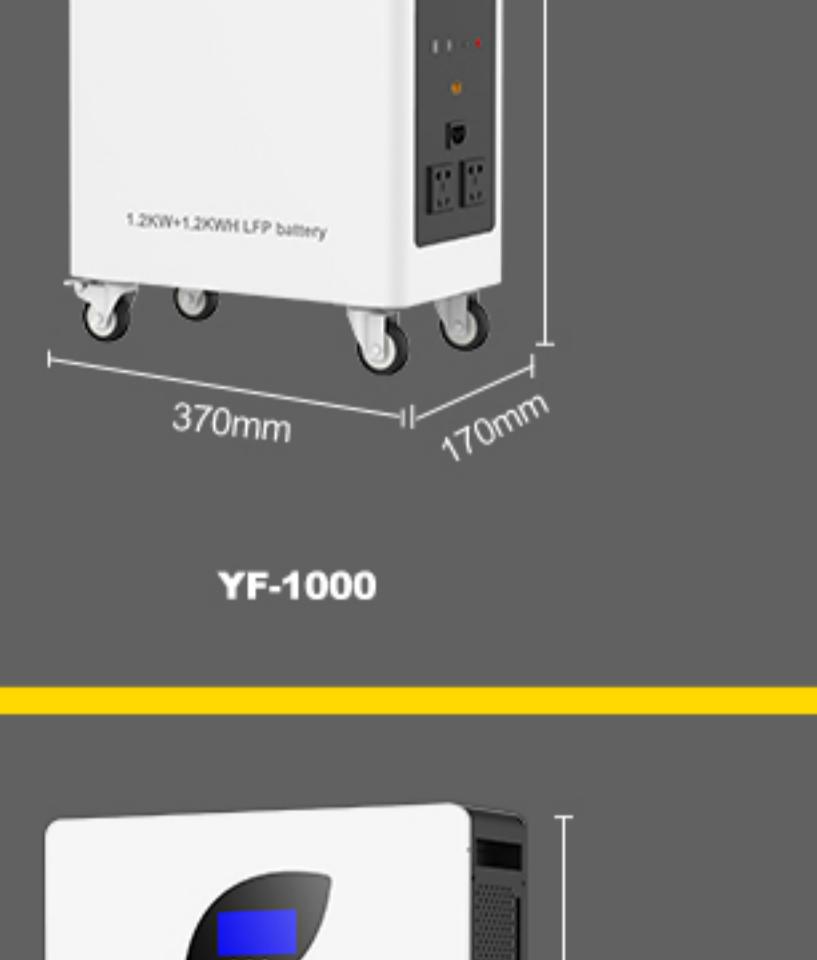

ALL IN ONE ESS EASY TO USE

1 unit All in one ESS=1 inverter+1 LiFePO4 battery

Multiple working modes

Simultaneous utility and battery supply ..

- Solar Priority
- Utility priority
